30-day checklist

Do one day at a time. If you don't finish a day's task, don't move on until it's done. If 30 days takes you 90, that's okay. About 30 minutes each. Each day builds on the last.

DONE	DAY	TASK	DATE DONE
☐	**1**	Pick one AI. Install it on your phone and computer. Use it on one real email.	
☐	**2**	Brainstorm with it: three tasks you hate that it could help with in the next 30 days.	
☐	**3**	Write your about-me note: market, brokerage, who you serve, sign-off, contact details.	
☐	**4**	Write your house rules: tone, spelling, short paragraphs, what it never does.	
☐	**5**	Set your approval line: what it can do alone, what always needs your eyes. Client-facing always gets your review.	
☐	**6**	Talk instead of type: do one full task by voice.	
☐	**7**	Save three reusable prompts: email reply, text reply, appointment summary.	
☐	**8**	Save examples of good: one or two finished pieces you loved for each repeat task.	
☐	**9**	Text templates: showing follow-up, offer update, check-in.	
☐	**10**	Inbox cleanup: your 5 oldest unanswered emails, drafted for you to review and send.	
☐	**11**	Voice memo recap: after an appointment, turn a voice memo into a CRM note, tasks and a follow-up email.	
☐	**12**	At the end of each chat, save SOPs and decisions to your rules file. Read your rules back.	
☐	**13**	Letter of Opinion setup: Word template and signature photo into Drive, load the kit.	
☐	**14**	Practice the letter on a past deal. Fix what is off.	
☐	**15**	Real letter on a live request. Time it against your old way.	
☐	**16**	Deal card setup with the kit. Sign in yourself.	
☐	**17**	Deal card on 10 leads. Make the calls.	
☐	**18**	Paste the notes back in. Run the next 10.	
☐	**19**	Make the deal card a habit: three times a week from here on.	
☐	**20**	Create one Drive folder for your photos: headshots, listing photos, local spots, logo. Share only that folder.	
☐	**21**	Share with your AI: 10 social media posts you like the style of, plus fonts, colour palettes, designs and your logo.	
☐	**22**	Have it draft your one-page brand guide.	
☐	**23**	Edit the guide until it sounds like you. Save it as one file.	

DONE	DAY	TASK	DATE DONE
☐	**24**	First post: a local food or community spot, using your guide.	
☐	**25**	Second post.	
☐	**26**	Third post. Schedule it.	
☐	**27**	Listing description or meeting prep sheet from your notes.	
☐	**28**	Turn your most repeated task into a saved kit: a prompt plus the steps.	
☐	**29**	Clean up your rules file: remove conflicts, one source of truth.	
☐	**30**	Review the month: what saved time, what is next for Step 2.	

By day 30: a rules file, saved prompts, the Letter of Opinion working, a deal card habit, a brand guide, three posts out, and one saved kit.
